Each year, school supply lists get longer and more expensive. **Due to the economic hardships of the pandemic, this year will be harder for parents than previous years.** As a result, many families struggle to equip their kids with the tools they need to succeed in the classroom.

At The Mustard Seed, we recognize this great need to help our community's kids and provide them with the best chance at learning. **We are committed to reducing the financial burden and stress for struggling families in need. Thank you for your generosity and compassion.**

You can make a direct impact in the lives of school children in your community by **giving in 3 ways:**

**1 Create a backpack individually or together with your coworkers, family, friends, school, church or club groups**

- a. Build a backpack filled with every much-needed item on our school supply list,
- b. Drop-off your backpack at the location listed below and remember to **tell our staff that your donation is for the school backpack initiative.**

**2 Start a donation drive and donate any item(s) from our list and we will ensure your donation will go directly into a backpack for a child in need**

- a. Bring your donation to the drop-off location listed below,
- b. Remember to **tell our staff that your donation is for the school backpack initiative.**

**3 Donate financially and we will put together an amazing backpack on your behalf**

- a. Donations in any amount will help immensely,
- b. Please donate at **[TheSeed.ca/Donate](https://TheSeed.ca/Donate)**.
