

Hope 2 Game - Volunteer Form

The Mustard Seed is a local non-profit organization that has been caring for individuals experiencing homelessness and poverty since 1984. Operating in five cities across Alberta and British Columbia, The Mustard Seed is a supportive haven where people can have their physical, mental, and spiritual needs met and grow toward greater health and independence.

We are looking for volunteers to take part in our live stream initiatives. Roles include a play-by-play caster, a colour commentator, a panel coordinator, a stream moderation, and game volunteers. These events will be held online only, so a computer setup is required. All volunteers will receive professional training from the Alberta Esports Association regarding their roles.
