The Mustard Seed Medicine Hat Opens Renovated Community Centre

Medicine Hat, AB – The Mustard Seed will host a donor invite-only, ribbon cutting ceremony to celebrate the official opening of the Community Centre. The newly renovated facility is now open and operating daily services to meet the needs of our community in a safe and responsible way.

Programming will include a health & wellness centre, basic services, spiritual care, and daily feeding program. Before closing for renovations, The Mustard Seed Medicine Hat was providing on average over 1,500 meals per month to our guests in need. Thanks to the generous support of our donors and community, we are currently serving roughly 700 meals per week with expectations of serving more once we add a second meal service to the day.

The Mustard Seed Medicine Hat is inviting the media to, prior to the event, for interviews, photos, and questions pertaining to the operations and mission for the Community Centre.
